

Member-Get-A-Member Campaign (October 1, 2008 to April 1, 2009)

Earn One Free Registration to ASAM's Med-Sci Conference and Other Valued Rewards*.

Share your ASAM experience with a peer and invite him or her to [join ASAM today!](#) When you are meeting or on the phone with colleagues, ask them to consider joining ASAM. Not only will you be doing a big favor for yourself by strengthening your Society, but also your contemporaries will be thanking you for inviting them. Each new member you recruit moves you closer to receiving one of the following:

- 1. One free registration to the 2010 Med-Sci Conference** (*valued up to \$585*)
- 2. One free membership renewal for 2010** (*valued up to \$495*)
- 3. One free copy of Principles of Addiction Medicine, 3rd Edition** (*valued up to \$175*)

In addition to inviting newcomers to ASAM you may want to consider contacting former ASAM members as candidates for membership. Recently ASAM has taken bold actions in support of its Mission Statement and Strategic Plan. Share [this letter](#), sent in September by ASAM President Michael Miller, outlining the many accomplishments and goals currently guiding ASAM's successes. Contact the National ASAM office, **301-656-3920** for a list of former ASAM members in your area.
